# About Me Introduction

Hafidh has more than 2 years as Quality Assurance Engineer, possesses a robust set of technical skills. Proficient in tools such as Postman, Atlassian JIRA, Cypress, Github/Gitlab, Selenium, Katalon, and MySQL. He demonstrates a strong command of testing and development platforms. Additionally, he is well-versed in collaborative tools like Google Docs and Google Spreadsheet, showcasing versatility in both individual and team-oriented tasks.

With a solid foundation in various technical domains, he is well-equipped to contribute to quality assurance processes and project success. Now, He's open for new journey and able to join 1 month notice or less.

Hafidh Syahputra

# Work Experience
